Landed 2

A$900 • Available

Landed 2 revisits the eagle motif from my earlier three-metre-high steel sculpture, Landed. Here, the moment of an eagle landing on a branch is reinterpreted on a more intimate scale as a shallow-relief carving in red gum. This study explores how the energy, movement and detail of the original large-scale sculpture can be captured within the surface of timber.

Red gum timber. Shallow-relief carving.

300 W × 300 H × 35 D mm

Engraved hanging bracket fitted to the back.

Landed 2 up close

The rear hanging bracket is engraved with details specific to Landed 2.

Close-up of the eagle’s talons gripping the carved branch.
